Walkin' the Dawg has been around since 1996 and was created by Steve Wood. Steve is our Lead Guitarist and Lead Vocalist. Steve plays through a "Talk Box" like Peter Frampton and Joe Walsh and plays Harmonica.

Roy Chirigotis is our bass player and our 2nd Lead singer. Roy can keep folks dancing. Steve Wittig is our awesome

drummer and has toured the world in a well known rock group.. Bud Ehrk is our third lead vocalist and plays acoustic and electric guitars as needed. Bryan Judd is our Keyboard player and can lay down the tasty notes standing up at his keyboard or play his keytar and take his show out to the audience. Bryan and both guitarist are "wireless" and put on a show for the crowd. We will keep the audience dancing for hours with hit songs and we are entertaining the crowd from the start to the finish.
